

## PRIVACY STATEMENT

Your privacy is important to Drilltex GB Ltd This privacy statement provides information about the personal information that Drilltex GB Ltd collects, and the ways in which Drilltex GB Ltd uses that personal information.

### Personal information collection and Using Personal Information

Drilltex GB Ltd may collect and use the following kinds of personal information:

- information about your use of this website
- information that you provide using for the purpose of registering with the website
- information that you provide for the purpose of subscribing to the website services
- any other information that you send to Drilltex GB Ltd

Drilltex GB Ltd may use your personal information to:

- send to you products that you purchase
- Supply to you services that you purchase
- send to you statements and invoices
- collect payments from you
- send you marketing communications

Drilltex GB Ltd does not disclose your personal information to its agents or sub-contractors.

In addition to the disclosures reasonably necessary for the purposes identified elsewhere above, Drilltex GB Ltd may disclose your personal information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

### Securing your data

Drilltex GB Ltd will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of your personal information.

Drilltex GB Ltd will store all the personal information you provide on its secure servers.

### Updating this statement

Drilltex GB Ltd may update this privacy policy by posting a new version on this website. You should check this page occasionally to ensure you are familiar with any changes.

### Contact Drilltex GB Ltd

If you have any questions about this privacy policy or Drilltex GB Ltd treatment of your personal information, please write:

- by email to [info@drilltexgb.co.uk](mailto:info@drilltexgb.co.uk) or by post
